COCKTAILS & CULINARY

CONTOUR

Refined spirits. Crafted bites. Distinct service.

Bringing classic New York glamour to the 21st century with a vibrant spirit, Contour is a place where guest experience is at the very core: a place to mingle and meet – sharing stories with one another – or seclude and settle – allowing the stylish ambiance to envelop guests in savoring the present.

Contour aims at glorifying the cocktail culture, with a hyper-focus on an exceptional luxury beverage experience vs. modern mixology. Inviting community and shared experiences to shine, cuisine is meant to complement the beverage journey with high-end gastro lounge bites, resulting in a buzzing atmosphere.

Day or night, there is a certain vibe that is undeniably unique and intriguing yet distinctively classic New York that resonates with the character of today.
